### From Stockholm-Arlanda Airport

#### Airport buses

There are about 300 daily airport bus departures from Stockholm city and Arlanda. At peak times a bus leaves every 10 minutes. The airport buses stop at terminals 2, 4 and 5.

#### Arlanda Express

The express train has departures at least every 15th minute and guarantees arrival at Arlanda in 20 minutes. There are three exits from the train to the airport, one in Terminal 5, one servicing Terminals 2 and 3 and one for Terminal 4. Escalator/lift will take you conveniently from the platform to the check in counters in the departure hall.

#### Taxi

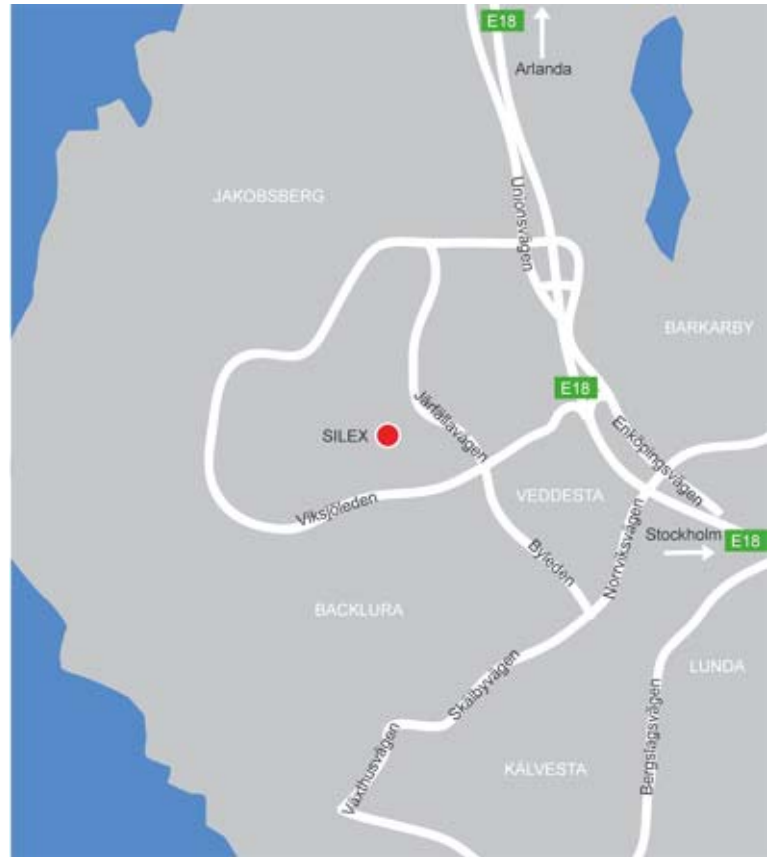

Taxis are available outside the terminals at the taxi-ranks. To Stockholm City it takes 30 min (depending on the traffic) and costs about 400 SEK.

### By car from Stockholm Arlanda Airport

1. Drive towards Stockholm on the E4 motorway
2. After about 25 km at sign, Vällingby/Sollentuna Centrum/Akalla, turn right.
3. Shortly, at the first roundabout turn right again and follow the road 262 (Alkallavägen) until you reach the next motorway E18.
4. Turn right and follow E18 away from Stockholm (northwest) for about 2 km.
5. At sign, Viksjö/Veddesta turn left under the motorway.
6. Continue this road (Viksjöleden) for about two km, passing first two adjacent traffic lights and then the third on a hill.
7. At your left, you can see a golf course. You turn right into Kassavägen and then right again into Bruttovägen
8. After about 300 m at your right is a large blue industrial building.
9. The entrance is at the center of the building – Bruttovägen 1.

### By car from Stockholm city

1. Take the E4 motorway north towards Uppsala
2. After about 10 km at sign, Vällingby/Sollentuna Centrum/Akalla, turn left under the motorway.
3. Pass the traffic lights and turn right in the roundabout and follow the road 262 (Alkallavägen) until you reach the next motorway E18.

4. Turn right and follow E18 away from Stockholm (northwest) for about 2 km.
5. At sign, Viksjö/Veddesta turn left under the motorway.
6. Continue this road (Viksjöleden) for about two km, passing first two adjacent traffic lights and then the third on a hill.
7. At your left, you can see a golf course. You turn right into Kassavägen and then right again into Bruttovägen
8. After about 300 m at your right is a large blue industrial building.
9. The entrance is at the short side of the building – Bruttovägen 1.

#### **From Västerås Stockholm Airport**

Bus:

A bus service operates between the airport and Stockholm City terminal with daily transfers to and from Ryanair flights.

Train:

Trains leave for Stockholm every hour from a nearby train station, which can be reached from the airport on the number 41 bus or by taxi. The train journey to Stockholm takes approximately one hour.

#### **From Skavsta Stockholm Airport**

Coach:

There are coach services between Skavsta Stockholm Airport and the central bus station in Stockholm with a stop in Sodertalje.

The fare for a one way ticket is 130 SEK or 199 SEK return.

Coach service departs from the central bus station to the airport 2h 25mins prior to scheduled flight departure time. Journey time is 1hr 20 minutes.

Taxi:

Approximate cost to the centre of Stockholm SEK1200 and should take approximately 60 minutes.

#### **Commuter train from Stockholm Central**

When you arrive Stockholm Central you find your way to the commuter -train, track 15/16 (towards Kungsängen or Bålsta), you get off at Jakobsberg Station. From here you take a taxi to Bruttovägen 1 or someone from Silex will pick you up.
